

## Quality Air Club Membership Benefits

### **24 Hour Emergency Service**

Quality Club Members take priority on our schedule. Call us anytime you have an emergency, and we promise to be at your home within 24 hours (unless prevented by dangerous driving conditions).

### **Free Service Calls**

Quality Club Members do not pay a dime for service call—even after regular business hours and on holidays! Clients who do not have a Quality Club Membership pay a service call of \$68.00 if they reside in Buncombe County or \$99 outside of Buncombe County as well as an additional investment of \$100 or more for after hours and holidays.

### **20% Discount on Repairs and Filters**

Quality Club Members receive a 20% discount on all parts and repairs listed on our Straight Forward Pricing Guide. Club Members also receive a 20% discount on our high quality MERV 11 filters.

### **Free Annual Precision Tune-Ups**

As a Quality Club Member, you receive our Precision Tune-Up valued at \$321 each twice per year (on most systems). This is your preventive maintenance and will help lengthen the life of your system and reduce utility consumption.

### **5% Discount on Replacements and Upgrades**

Quality Club Members receive an automatic 5% discount when replacing old systems with new equipment. This 5% discount also applies to air quality products such as air purifiers and UV lights.

### **\$100.00 Rebate for Each Year of Membership**

For every consecutive year you're a Quality Club Member, we set aside \$100.00 that's redeemable as an instant rebate when replacing your system with new equipment installed by Quality Air.

### **Inflation Protection**

Your monthly investment for Quality Club Membership will never increase as long as we draft your account on a monthly basis. Even when the rate goes up for new clients, yours will never increase for as long as you maintain your Club Membership.

### **Club Membership Is Transferable\***

Your Quality Club Membership is fully transferable to the new owner when you sell your home. This means they get to keep all your accumulated rebates and original monthly rate. Club Membership is also transferable if you move to a new home in our service area. Don't stress about leaving us behind. We'll move with you!

*\*To transfer your membership from a previous homeowner or to your new home in our service area, please call the office at 828-665-9233 within 30 days of purchasing the home. Also, feel free to call the office if you have any questions about our club membership or your system.*
